

FIREGUARD®:

Advanced Fire-Protected Aboveground Storage Tanks

The **FIREGUARD** aboveground storage tank, built the Watco Way, features a double-wall, fire-protected aboveground storage solutions featuring an inner steel tank encased within a unique lightweight thermal insulation material. This design enables FIREGUARD® tanks to meet temperature requirements even under extended four-hour fire testing. The insulating material is 75% lighter than concrete, reducing shipping, installation, and relocation costs. Complete with STICO Mutual's 30-year limited warranty.

Fireguard Advantages:

- **Compliance and safety:** Meets UL 2085, NFPA 30/30A, IFC, CARB, and STI F941 standards, ensuring adherence to industry regulations.
- **Thermal insulation:** Insulates the product in the tank from ambient temperature variations, reducing emissions.
- **Leak detection:** Primary and secondary tanks can be tightness tested on-site with standard testing procedures, and the interstitial space can be monitored for leak detection.
- **Fuel compatibility:** Steel construction ensures compatibility with all hydrocarbons and can be lined for DEF and JetA/AV Gas applications.
- **Durability:** The steel outer wall provides low-cost maintenance and protection from weathering.
- **Customizable:** Available in horizontal designs with capacities of up to 30,000 gallons.
- **Versatility:** Tank can be compartmentalized to store multiple fuel types.
- **Cost-effective insulation:** The lightweight insulation reduces shipping, installation, and relocation costs.
- **Environmental responsibility:** Steel construction allows for recycling, supporting environmental sustainability.

FIREGUARD®: Length & Weight

Diameter	Capacity	Length +/- 2"	Weight +/- 5%
45.5"	1,000 gal	12'-10"	5,000 lbs
72"	5,000 gal	24'-10"	18,000 lbs
96"	5,000 gal	14'-4"	18,000 lbs
96"	10,000 gal	27'-10"	31,000 lbs
96"	12,000 gal	33'-3"	35,000 lbs
120"	12,000 gal	21'-6"	33,000 lbs
120"	15,000 gal	26'-9"	39,000 lbs
120"	20,000 gal	35'-5"	49,000 lbs
120"	30,000 gal	52'-8"	68,000 lbs

Additional Tank Options:

- Rain Hood
- Remote Fill Line
- Bolt-On Pump Platform
- Pump Shelf
- Internal Lining for Jet A / AV Gas
- Bolt-On Observation Ladder
- Maintenance Platform
- Catwalks
- Stairways
- Custom Fabrications

Choose **FIREGUARD®** for a reliable, compliant, and efficient aboveground storage solution that reflects our commitment to quality and customer satisfaction.

It's the Watco Way.

Watco has been a leading manufacturer of storage tanks since 1964. Our products are known for their quality, durability, and safety. We are committed to providing our customers with the best products and services.

Proven Quality Through Independent Oversight

Watco Tanks undergoes rigorous third-party inspections by UL and STI, with eight unannounced audits each year. Since the inception of the inspection program over 25 years ago, Watco has maintained a flawless record—one of only three STI-certified manufacturers to do so.
